SLAVERY IN AMERICA: AN ESSAY FOR THE TIMES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Slavery in America: An Essay for the Times I Propose to inquire into some of the facts touching the origin and condition of the institution of slavery, as it exists in the Southern States of our confederacy: and this, in order to the propagation of just views on the whole subject, so far as may be within the circle of my influence. That such an inquiry may be useful at this time is apparent; as well from the political agitations arising out of vexed questions on the subject of slavery, which have recently disturbed our national councils, as from the general prevalence of conflicting and unadvised opinions on this subject, which are held in the Northern and Southern sections of the country.
