

The Inside of the Cup Vol 3. (Paperback)

Filesize: 6.85 MB

Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Visit us online at - It was the last Sunday in May, and in another week the annual flight to the seashore and the mountains would have begun again. The breezes stealing into the church through the open casements wafted hither and thither the odours of the chancel flowers, and mingled with those fainter and subtler perfumes set free by the rustling of summer gowns. As on this day he surveyed his decorous and fashionable congregation, Hodder had something of that sense of extremity which the great apostle to the Gentiles himself must have felt when he stood in the midst of the Areopagus and made his vain yet sublime appeal to Athenian indifference and luxury. And the times of this ignorance God winked at; but now commandeth all men everywhere to repent. . . Some, indeed, stirred uneasily as the rector paused, lowering their eyes before the intensity of his glance, vaguely realizing that the man had flung the whole passion of his being into the appeal. Heedlessness - that was God's accusation against them, against the age. Materialism, individualism! So absorbed were they in the pursuit of wealth, of distraction, so satisfied with the current philosophy, so intent on surrounding themselves with beautiful things and thus shutting out the sterner view, that they had grown heedless of the divine message. How few of them availed themselves of their spiritual birthright to renew their lives at the altar rail! And they had permitted their own children to wander away
