

The Unknown History of Islam: A Theological, Linguistic, Historical, and Sociological Study

Filesize: 5.8 MB

Reviews

An exceptional book as well as the font applied was fascinating to learn. It is loaded with knowledge and wisdom I am just easily can get a pleasure of studying a created book.

(Dr. Benjamin Lakin)

THE UNKNOWN HISTORY OF ISLAM: A THEOLOGICAL, LINGUISTIC, HISTORICAL, AND SOCIOLOGICAL STUDY

Samir Amin Abdel Latif. Paperback. Book Condition: New. Paperback. 290 pages. Dimensions: 10.0in. x 7.0in. x 0.7in. This book is about an actual journey into the heart of the Islamic world, Saudi Arabia. It tells of the discoveries and revelations about Islam and Muslims. The author records his day-to-day findings for the world to know the true history of Islam. The findings are about the theology of Islam, the language of the Quran, the history of radical Islam, and the social life of Muslims. The book presents an unprecedented analysis of the Quran and an empirical study of the psychological effect of the language of the Quran; there is also a historical and a sociological approach to understand Islam that has never been attempted before. The book also explores the beauty of literature and how it can defeat Islamic radicalism, and how literature can be used to change the rigid mindset of some radicals. This book exposes the radical extremists who tarnish the religion of Islam. In addition, the book exposes the goals and plans of terrorist groups such as Al-Qaeda, Boko Haram, Taliban, ISIL, Islamic Jihad, Hamas, and the Muslim Brotherhood and their followers who want to take over the world, spread Islamic Sharia law, and destroy human civilization. The book also shows how peaceful Muslims who are the sweeping majority of Muslims become victims to those extremists and terrorists. The book also exonerates those moderate peaceful Muslims from any crimes committed by radicals and extremists. It is hoped that radical Muslims would show little humbleness and some humility after they know what their religion is about and learn the truth of the Quran. This book is a rational analysis of the past and present of Islam, the authenticity of the Quran, the life of Muslims under Sharia law, and...
