Andrew Seiple, 2018. Paperback. Condition: New. Amelia Parris (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Threadbare has not had a very good time of it, recently. His little girl has been taken from him, and he must travel the kingdom, finding allies old and new, living and dead, to help him rescue Celia. Fortunately, he s got a voice now, and access to all those fun skills he couldn t use before. He may only be a very small teddy bear, but he s got the persistence to plow through dungeons of rascally raccoon monsters, the wiles to turn a town full of undead on its ear, and the sanity to survive an encounter with a mediocre old one. However, Threadbare s little girl is growing up now, and her own path is hard, and brutal. Will she even have a use for her old teddy bear, when they meet again? Will they both survive the encounter? Warning: Contains profanity and violence, and a creepy villain who likes tentacles way too much.
