Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.New Zealand revels in its role as nature s amphitheater, the country redefining notions of the sublime and the surreal. Every turn seems to unveil a new panorama, a new aesthetic seemingly lost in time. New Zealand is unspoiled and untamed. Its status as home of fictionalized Middle Earth is well publicized, but there s far more to the landscape than hobbit holes and orcas hiding in trees. There is bounty to be discovered everywhere and almost every visitor is won over with fresh impressions of natural splendor. With more sheep than people and more solitude than city, New Zealand is a place for getting lost in the midst of the planet s most spectacular landscapes. New Zealand essentially consists of a series of islands in the Pacific, each distinct and celebrating its difference. Two large islands dominate this definition. The volcanic North Island, full of rolling green pastures and kaleidoscopic color. And the mountainous South Island, home to glaciers, Fiords, and dramatic geological features. While the land provides an omnipresent highlight, there s more to New Zealand than a journey through lakes, mountains, ocean, and forests dancing with phantasmal intrigue. **WHAT YOU LL FIND INSIDE: -----** \* New Zealand at a Glance \* Travel Routes and Itineraries \* Safety Travel Tips \* Auckland and the North \* Rotorua to Wellington \* The Upper South \* South of Christchurch.
