# BIOORGANIC SYNTHESIS: AN INTRODUCTION (HARDBACK)

Oxford University Press, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. Over the last three decades, the interface between chemistry and biology has grown increasingly dynamic, resulting in the rapid expansion of communication and collaboration amongst research scientists, faculty and students in the fields of chemistry, biochemistry, biology, bioengineering, and beyond. This is due in part to society s growing demand for scientists, engineers and practitioners who can bring a more interdisciplinary approach to their work...
