Reviews

Great e book and helpful one. It really is writter in straightforward terms and not hard to understand. You can expect to like how the blogger write this book.

(Hudson Christiansen)

I WILL NOT GO THE F**K TO SLEEP

Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.By a widely published author and the father of 3 children and one kicking and screaming Inner Child that refuses to go to sleep or to grow up, this humor collection imagines: --What if a child, asked to go the f*** to sleep by its father, could respond in adult language? --5,000 yogis flown in from India specifically to balance India s budget deficit by spilling hot coffee on their laps at 5,000 McDonald s restaurants. --A Nuclear Weapons fire sale to overcome America s budget deficit. --The outsourcing of the Great American Novel to India, where literary sweatshop workers churn out such masterpieces as The Great Goatsby and As I Lay Meditating. This 30,000-word collection of humorous essays and of political, social, and intercultural satire is the author s ninth book. Kurt Vonnegut described the author s novel, The Revised Kama Sutra, as very funny. Among other things, this treasury of humor pokes fun at familiar stereotypes about Indians and Americans, besides providing a revised, post-p.c. Genesis. As one magazine s review of The Revised Kama Sutra said, No sacred cows whatsoever. You probably should not read it to your children under 15. However, don t be surprised if they decide to read it to you. The e-book edition was No. 2 on Amazon s Political Humor bestseller list for nearly 5 weeks. Hysterical and informative. For the rebel in you. Great style and humor --Linda J. Lundy, Amazon 5-star review Inspired silliness, Pythonesque goofiness, political bite. --Laurie Boris, Author of The Joke s on Me.
