While recovering, her Ex-husband black mailed her and took custody of their son. While bed ridden and recovering, she took matters into her own hands. The court system had failed her, the law had failed her and so had the hospital she went to for help after her injury. And the Diaries of a Damaged Soul Series was born. Instead of getting a sour look on life, she wrote it all down. And in her combined efforts of learning about verbal abuse and passive aggressive personalities, she learned a lot about people not know what to do. (Heck she didnt either). And although she does not have a clear path for them, she wanted them to not just take the abuse. Fight back. Get their lives back. Take the power back!!! Find the way out of the abuse and do not look back!!! And when an injustice occurs. . . . there is always a way to get justice. Legally. Author Terri Louise has recovered from her injuries. . . . albeit handicapped. And she is still recovering from her verbally abusive years of marriage. . . . and she is still handicapped from that. . . . but she is free from the abuse and she is reclaiming her life. . . . one baby step at a time.
