RECENT ADVANCES IN BIOLOGICAL PSYCHIATRY

Book Condition: New. Publisher/Verlag: Springer, Berlin | The Proceedings of the Twenty-First Annual Convention and Scientific Program of the Society of Biological Psychiatry, Washington, D. C., June 10-12, 1966 | Qualitative evaluations of buccal smear specimens have indicated an unusually high incidence of triple-X females in a hospitalized schizo phrenic population. Specimens from adult prisoners have also indicated an unusually high incidence of triple-X females. Studies of a population of confined juvenile offenders, on the other hand, have indicated an...

Reviews

This kind of book is every little thing and taught me to looking forward and a lot more. It is really simplistic but excitement in the fifty percent of the pdf. Your life span is going to be change once you comprehensive looking at this publication.

-- **Mr. Wiley Kilback V**

A must buy book if you need to adding benefit. It is among the most incredible book we have study. I discovered this book from my dad and i recommended this book to find out.

-- **Ida Oberbrunner**

The best book i actually go through. I could possibly comprehended everything using this composed e pdf. You wont truly feel monotony at whenever you want of the time (that's what catalogues are for about if you ask me).
