In 1980 as I was in prayer, talking to the Lord, I asked Him a question. I said: Lord where are all of the dynamic prophets of old? Where are the Paul s, Peter s, James, and John s in this generation? You see there was a great sadness in my heart over the fact that as I looked across the landscape of the world, I could find no one in my opinion of the same caliber as these men. What the Lord spoke to my heart brought an amazing revolution to my theology. This is what he said to me. They Are Still Here! I said: How Is That Lord? He said to me: they are still here by the means of their epistles. He explained to me that their words are like seeds in a bag. If these seeds are planted into the soil of a human heart, they will produce the same exact results as what these men accomplished. This book is simply a tool that you can use to hide these seeds into your heart, to get the exact same dynamic and explosive results.
