## TAKING THE WALL (PAPERBACK)

Coffee House Press, United States, 1999. Paperback. Condition: New. New. Language: English . Brand New Book. As the engines roar and the green flag waves, these stories tear across their rural landscape with the energy of a Winston Cup race. Like W.P. Kinsella's minor league ballplayers, Jonis Agee's drivers, pit crews, mechanics, and their families live in small towns, eat at truck stops, and have a hard time keeping their dreams from destroying their lives. From the garage to the kitchen table, from demolition derby to nascar, Agee's hapless heroes open our eyes as they take the wall. The wildly popular sport of auto racing is a backdrop in these stories for exploration of the creative and destructive aspects of obsession. In farmhouses, mobile homes, and roadside trailer courts, fathers and sons, mothers and daughters all try to figure out how to keep their families running as smoothly as their cars. Domestic life unfolds around the racetrack throughout the collection. The Pop Off Valve is a monologue in which an unnamed narrator recounts her naiveté in marrying...
