

Beat That Kid in Chess: For the early beginner to win games

By Jonathan David Whitcomb

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 194 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. This book has been carefully crafted for the raw beginner who wants to win a chess game as soon as possible. Its for the beginner who knows the rules but not much else. Children, teenagers, and adults can benefit from these lessons and the two chapters of exercises: simple and advanced exercises at the end of the book. This chess book is balanced in depth and breadth, with lessons on how to checkmate your opponent, gain a material advantage over another beginner, promote a pawn to a queen, pin one of your opponents pieces, make a knight fork, avoid becoming checkmated, and much more. It emphasizes what a beginner most needs to know and understand, as soon as possible. The approach was organized by a professional nonfiction writer who began teaching chess beginners in the 1960s. He knows what the raw beginner most needs to learn. Of the countless chess books which have been published, very few appear to be carefully written for beginners, perhaps less than 10. Of those that seem to be for beginners, most are too confusing...
