By MR Jesus Gagate Pedines Jr

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.First of all, I acknowledged that I am not a professional writer nor financial expert to discuss this subject, but this is not a reason to stop me from writing this book. My primary objective is to share my journey from being an OFW and how I was able to learn about investing in the stock market while working abroad. I hope that you will find beneficial information to guide you based on my personal experience in the world of investing in the Philippine-Stock-Market. Yes, you will learn many things in this book; I will share my personal approach and understanding on applying what I have learned from all my mentors. It is all about my personal views and application of what I have learned from them. If you have already read those books that I ll be mentioning, here is my WARNING. you might have different understanding and views on applying the formula. So be it. I don t claim to be a financial adviser as I said, but I believe that sharing my experience and my thoughts would...
