

The York Deviation (Paperback)

Filesize: 2.64 MB

Reviews

A superior quality book and also the font employed was fascinating to learn. I could possibly comprehend almost everything using this created e publication. You wont sense monotony at at any time of your respective time (that's what catalogs are for about should you ask me).

(Lucile Morissette)

THE YORK DEVIATION (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Not many novels have Margaret Thatcher as a hero. Here is one of them. Margaret Thatcher, Ronald Reagan, Tory-Boy Satanists, insane anti-American scientists, an army of hungry Lizards-from-beyond-the-Void. Yes, it s the University of York in 1981 - though not as anyone now alive remembers it! Edward Parker is a right-wing hypochondriac with a weight problem. Falling asleep one night as an ageing and ever-so-slightly failed barrister, he wakes in his youthful body, back in those moderately golden days of yore. It s a dream. It s surely a dream. In great things and in little, everything seems at first exactly as it had been. Only it isn t. As the dream unfolds, and shows no appearance of ending, deviation after deviation from the remembered past accumulate, and settle into the appearance of a coherent narrative. But where is this taking young Edward Parker? What is his old friend Michael Clarvin up to? Where have all his real friends gone? Who is The Undertaker ? What horror lurks beneath the Temple of Isis being uncovered near the Main Library? Why is Professor Fairburn so desperate to lay hands on its power? What does he eat? And can Margaret Thatcher become all-powerful? If you were there, take this as the ultimate Walk Down Memory Lane. If you weren t, probably be grateful. Praise for Other Novels by Sean Gabb, (writing as Richard Blake): Fascinating to read, very well written, an intriguing plot and I enjoyed it very much. (Derek Jacobi, star of I Claudius and Gladiator) Vivid characters, devious plotting and buckets of gore are enhanced by his unfamiliar choice of period. Nasty, fun and educational. (The Daily Telegraph) He knows how...
