

## God Claps His Hands: And Other Musings on the Subjects of Religion, Spiritualism and Pseudo-Science (Paperback)

By August Hunt

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The following pages are mere scribbles, really, not intended to be a definitive treatment of the subject. Over the years, when the mood struck me (or, more often than not, when I was especially aggravated by what I perceived to be the excesses and follies of human superstition), I've put my thoughts down in writing. Sometimes the result was a sort of informal essay. At other times I might succinctly express a single idea that had occurred to me. And then there were rants - not all of a polite, dignified nature. Occasionally, I engaged in humor or even sarcasm to make my point. Because in my own life I have finally gone beyond dwelling on the frustratingly intransigent nature of non-empirically derived beliefs, I came near allowing these hastily jotted-down arguments, critical analyses and general ridicule to languish forever. Now and again I considered disposing of them outright. But some friends have recently told me that they enjoy my one-offs on the Nonthink exhibited by so many in our world. Furthermore, I've received a fair amount of feedback from...

### Reviews

*It is one of the most popular publications. It really is written in easy words and not difficult to understand. You are going to like how the author writes this book.*

-- Prof. Evans Balistreri DDS

*Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Lydia Legros
