Inspired Living Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. True feminine courage isn't loud, or brash. It doesn't scream from the rooftops. Instead, it wraps us in loving arms during our darkest times, and whispers, Be brave, for you can do this. You are meant for this, and so much more. In Courageous Hearts, publisher Linda Joy asks thirty vibrant feminine leaders to revisit the moments in which they made the most courageous choices of their lives-the moments in which they chose to live from their own truth and walk their own paths, no matter how frightening or uncertain the way ahead appeared. In the face of overwhelming fear, vulnerability, and opposition, these brave women chose to act from their deepest soul convictions, honor the calling of their courageous hearts, and step into a more authentic and empowered reality in their own lives. Contributing...
