Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *The V. C. Review, Vol. 3: December, 1929* The value of Malory's history was still more enhanced by the twelve *Sense against the Spirit*; Tennyson offered as a picturesque co-ordination of the allegorical theme which may be found in his story of Arthur. If in turning the episodes of Arthur's daring into the allegory of the War of Sense against the spirit, Tennyson has robbed the hero of his personality, he has nevertheless without dwarfing the events, elaborated them with the subtlest cunning of his art. In fact, the word *Idylls* became a wise selection for the name of a series of books all of which fashioned beautiful pictures as well as related interesting episodes. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
