Clarke Columbus Consulting. Paperback. Condition: New. 132 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. The solutions to all problems lie in relationships. All of them. No exceptions. The solution is always the same - check the relationships first. Shore up the relationships. Invest in the relationships. Focus on the relationships. Even if the problem itself doesn't go away, the solution to living your best life while in its presence still lies in relationships. The Hot and Cold Life is an introductory text that serves as the foundation of author David J. Clarke's Hot and Cold Life Series. This series addresses relationships of every kind, from marriage and family, to business relationships and everything in between. The goal is to develop and implement new strategies to create and maintain healthy productive relationships and to avoid the self-deception that can lead to a life of isolation - a life in which wisdom has no place. So, bring your true self and your best attitude and let's enjoy the ride together - it will last the rest of our lives. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
