Harper Paperbacks, United States, 2013. Paperback. Condition: New. Updated ed.. Language: English . Brand New Book. Don t Know Much About Geography by New York Times bestselling author Kenneth C. Davis is a fascinating and fun exploration of our planet. Geography is the hub from which other disciplines radiate: meteorology, ecology, geology, oceanography, demographics, cartography, agricultural studies, economics, and political science. In addition to presenting geographical trivia that ll impress your friends, Davis explores 21st-century topics of global concern, including the role of the Internet and technology in transforming the lives of people around the world, how so-called developing nations develop, sustainability, and the debates over climate change and evolutionary science. This completely revised and updated version of Don t Know Much About Geography is an entertaining and illuminating grand tour of planet Earth.
