GOD S COUNTRY (PAPERBACK)

Samuel French, Inc., United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Drama 8m, 3f (to play var.roles)/ Unit set. This exciting, highly theatrical docu-drama is about the growing white supremacist movement in America, those dedicated to violent revolution and the expulsion from God s Country of non Aryans. The play covers all of the right wing lunatic fringe while focusing on three narrative spines: the trial in Seattle of a paramilitary group which calls itself The Order; the career and death of Denver s Allan Berg, the outspoken, controversial, Jewish talk radio personality assassinated by The Order; and, finally, the hate filled career and death of The Order s founder, Robert Matthews. These narratives are skillfully interwoven, sometimes non chronologically, with statistics and facts into a kaleidoscopic and highly theatrical vision. Dietz intends his play to disturb playgoers, to prod them into thinking seriously about the radical right as a continuing phenomenon and not just as the occasional headline or TV sound bite. It surely does that. - Seattle Times Fast paced and emotionally gripping. - Variety.
