Page Publishing, Inc., United States, 2016. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. We live in such a hectic, unpredictable, dangerous world that you either have to be lucky or have the hand of God on your shoulder just to make it home safely every day. We live with serial killers, serial rapist, highway snipers, copy cat criminals, all kinds of corruption- from top to bottom throughout society and on top of that, we have gone to war for a second time with Iraq. There is no peace anywhere in the world. What will we be greeted with tomorrow, the end of the world? We have thrown God out of our American way of life and when God is gone this is what you have with no end in sight. You have chaos, confusion, mayhem! Everything is out of kilter, everything is out of control. The Devil is having a field day, killing, robbing, raping, stealing and breaking all of God's commandments. Well I have some news for everyone. It's not going to get any better until we put God back in the picture.
