Wipf Stock Publishers, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In *Glimpses of Another Land*, Eric Miller takes the reader across the American landscape in quest of insight into our times. For those facing challenges and choices from all sides, Miller offers not analysis so much as reorientation--the kind of sharpened vision that redirects movement. An age featuring 9/11 as its defining moment surely requires probing reflection and judgment. Here Eric Miller, with an alert eye and keen voice, provides both. Eric Miller is one of the most thoughtful and graceful writers today--a combination of intelligence, humility, and faithful insight. I try to read everything he writes. What a gift to have so many of his essays collected in one place! --Mark Galli, senior managing editor of *Christianity Today* Whether he writes about the Amish, popular Christian music, or the Pittsburgh Steelers, Eric Miller's prose sings with grace, passion, wit, Pennsylvania patriotism, and, suffusing it all, a sense of hope. His is an America of neighbors, faith, and peace, not vacuous pop culture and political cant. In the tradition of Christopher Lasch and Wendell Berry, Eric Miller illumines for us a way back home. --Bill Kauffman, author of *Ain't My America* It's fitting that Eric Miller begins this book by talking about hope and longing. Grounded in a specific time and place, clear-eyed about our troubles, these essays offer bright glimpses of another land. --John Wilson, editor of *Books Culture* Eric Miller is quickly becoming one of the best evangelical cultural critics at work among us today. Always timely, never trendy, usually salty, never cynical, his essays have a winsome way of delighting us in the good, drawing us out of ourselves in longing for a better, more humane and...
