By P W Stinger, J a Stinger

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Hidden, buried deep within the government s archived files of failed military experiments lays a troubling secret. For years, 1953 to 1972 to be exact, a team of doctors and scientists tried unsuccessfully to alter test subjects, hoping to build living, organic weapons for the future. Eventually the project was disbanded, labeled an abject failure - but they were wrong - it just took the passage of time and altered DNA. Now, years later, grandchildren and great-grandchildren of the original test pool are different, superior, and dangerous. Project Generations was spawned, a systematic collecting, or scrubbing, of an experiment gone awry. The Generations are hunted, collected, and eliminated before someone discovers the key to controlling them.or perhaps someone already has. Clouded in secrecy, a General is tasked with the daunting assignment of hoarding or wiping out the past by destroying their future. Captain Christina Aarons, a cursed Generation, is dispatched by the General to locate a new partner, Captain Jonathan Cross, himself the recipient of special abilities. Together the duo battle time, the General, their...
