Podemos: In the Name of the People (Paperback)

By Chantal Mouffe

Lawrence and Wishart Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. The rise of Podemos in Spain is part of a wave of European left political initiatives that are putting forward new ideas for change and innovative ways of thinking about politics. The traditional left in Europe has been in difficulties for some time now: the communist tradition is a shadow of its former self, while social democracy seems unable to meet the challenge of the financial crisis. The thinkers and activists of Podemos have been at the forefront of rethinking based on moving away from orthodoxies, bringing new hope to the left. In this book Inigo Errejón of Podemos and political theorist Chantal Mouffe discuss the emergence of these new movements, and in particular of Podemos. They critically engage with both the older traditions and the newly emerging parties and movements. They explore new ways of creating collective identities, and building majorities, while also reflecting on the major political challenges facing the left. The conversation between them is an intervention from two people who are ideally placed to draw on the seminal earlier theoretical work of Mouffe with Ernesto Laclau, and to link it...

Reviews

It is great and fantastic. Better than never, though i am quite late in start reading this one. Your life period will likely be transform once you comprehensive reading this book.

-- Blanca Davis

An extremely wonderful book with lucid and perfect information. It is one of the most awesome publication i have read. Your life period will probably be enhance the instant you total looking at this pdf.
