Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Back Description Do you want a guide on how you can start investing with Litecoin? You come to the right place! Let us not be hypocrite, if only you found about Bitcoin and knew it could grow bigger today, you have probably invested all your money back then. Looking into Coin Market Cap, just realized what a big leap in technology we are experiencing right at this moment. Gone are the days when gold is the only option for investment other than cash. In our time, we can get away without banks, without the government. Bitcoin (btc) started it all. But it doesn't stop there. Other altcoins are making their own names. With better hashrate, secure blockchain technology, peer to peer crypto exchange, safer wallet and online chart systems. One that stands out is Litecoin. It is a cryptocurrency that was made as a better version of Bitcoin. It is more lightweight, zero payment cost and is even faster in making transactions. If you are thinking into going with altcoins (ethereum, ripple, zcash, doge, iota, dash) make sure to research the...
