Atria Books, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. NEW YORK TIMES BESTSELLER, NOW A MAJOR MOTION PICTURE Gruesome yet poetic.highly original. --The Seattle Times Dark and funny. --Wired A mesmerizing evolution of a classic contemporary myth. --Simon Pegg A strange and unexpected treat.elegantly written, touching, and fun. --Audrey Niffenegger, author of The Time Traveler s Wife Has there been a more sympathetic monster since Frankenstein s? --Financial Times R is having a no-life crisis--he is a zombie. He has no memories, no identity, and no pulse, but he is a little different from his fellow Dead. He may occasionally eat people, but he d rather be riding abandoned airport escalators, listening to Sinatra in the cozy 747 he calls home, or collecting souvenirs from the ruins of civilization. And then he meets a girl. First as his captive, then his reluctant house guest, Julie is a blast of living color in R s gray landscape, and something inside him begins to bloom. He doesn t want to eat this girl--although she looks delicious--he wants to protect her. But their unlikely bond will cause ripples they can t imagine, and their hopeless world won t change without a fight. Isaac Marion s genre-defying debut startled the literary world with its poignant subversion of the zombie mythos, inspiring a major film adaptation and being translated into twenty-seven languages. Read the groundbreaking first entry as the Warm Bodies series approaches its conclusion with The Living, coming in 2017.
