Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the second volume which belongs to the Seventh Book in the Collection of 365 Tales for Children and Youth. This seventh book consists of 11 volumes totaling 45 beautiful tales related to the classic tales. Each volume consists of 1 to 6 tales, depending on its extension. Here we collect many classic tales in its full version, since many of them are only related in a very simplified version everywhere. There are also legends of many cultures. As is the style of the whole work, there are countless antique pictures that are a true artistic relic. There are also many pictures to color because they will awaken interest in reading to kids. The other books in the Collection include Sacred stories; Nature tales; Kings and Queens tales as well as Princesses and Princes ones; Historic and Legends tales; Heroic deeds and Fairies ones. I am convinced that the entire collection will be a true treasure that their children will appreciate for his and her whole life. Also will be a gift for yourself, because will bring you recalls of your own childhood, and immense relief and fruitful spiritual thinking in the middle of so many difficulties that we find along our life. These tales can only be well understood, with its profound meaning, when we have reached our personal mature age.
