

Getting Your Kids Through Church: Without Them Ending Up Hating God

By Rob Parsons

Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, Getting Your Kids Through Church: Without Them Ending Up Hating God, Rob Parsons, It is every Christian parent's fear: what if my child falls away because of something I did, or said, or was? Rob is extremely reassuring. His pragmatic, candid approach provides both parenting advice and guidance for parents about their own spiritual development. Rob identifies five traits which can quench faith in your child: busyness, cynicism, hypocrisy, judgementalism and over-familiarity (your children never know when they should take off their shoes). He teaches that disappointment is an inevitable part of growing up. There will come a time when they are disappointed with Christians, the Church, themselves and even God. We should teach our children how to love God even when things fall apart. Do not hide your children from the world: instead, help them to discriminate. Above all, provide them with a vision or what they can be and can achieve. Peter became a fisher of men.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
