THE CHRISTIAN CONQUEST OF INDIA (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Christian Conquest of India The task of writing this book was undertaken at the urgent request of leading members of the Young People s Missionary Movement. The writer had spent many years in India and had acquired a personal knowledge of missionary work in nearly all its phases, but yet did not at first sufficiently appreciate the difficulties connected with the work which was committed to him. The manuscript of this hook when completed was placed in the hands of the Editorial Committee for revision, and especially to prepare it for the use of mission study classes. This Committee has made important changes in some parts of the work, both by way of addition in some places, and omission in others. It was also found necessary to change the plan to some extent in order to make the book better serve its purpose as a text-book for students. India contains about one fifth of the human race, and missionary work carried on in such a vast empire, and directed by the leading Churches of the Protestant world leads the student into fields of observation and inquiry hardly second to any others in the world.
