Brand New Book ***** Print on Demand *****.As our relationship with the world unravels and needs to take a new form, The Wanton Green presents a collection of inspiring, provoking and engaging essays by modern pagans about their own deep, passionate and wanton relationships with the earth. Where do we locate the sacred? In a place, a meeting, memory, a momentary glimpse? The Wanton Green provides no easy answers and instead, offers a multitude of perspectives on how our relationships with the earth, the sacred, the world through which we move are forged and remade.
