Random House USA Inc, United States, 1997. Hardback. Condition: New. Language: English . Brand New Book. In his first book since Time Flies, his Caldecott Honor debut, Eric Rohmann transports a young boy in a magical sailboat to a lush tropical island inhabited by six cats with eyes like blazing coals. Rohmann's magnificent oil paintings draw the eye seamlessly from page to page, adding layers of complexity to a deceptively simple storyline. His palette reaches effortlessly from the brilliance of a tropical day to the glow of a starlit night, while his scenes range from breathtaking ocean vistas to the meticulously detailed and expressive creatures. The Cinder-Eyed Cats is both a sumptuous feast for the eye and a virtuoso feat of picture storytelling.
