

Betty Sue s Teatime Tales (Paperback)

By Sue Grainger

Lifelight Publishing, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Betty Sue, by nature, is a storyteller. She s a woman who s constantly worrying about the little things, who listens to a sad song and ends up crying, believes in love at first sight, and adores happy endings. In short, Betty Sue is what many would call Sweet . For a lot of years, she wondered if that was a good or bad thing-but not anymore. From now on, Betty Sue is going to be true to herself, and those who know her best. She s going to tell the kind of stories she s good at-the kind of stories that sing out from her soul and haven t a single thing to do with world strife, human wickedness or corrupt ambition. The kind of stories that go well with a cup of tea and a slice of cake, a quiet half-hour in front of the fire or in a favourite reading nook, hidden away from the world at large. Welcome, to Betty Sue s Teatime Tales.
