Life is tough to navigate when you don t have somebody or something to help you through. Traveling blindly through life is no way to live, but Kundalini is here to help. Kundalini originated in India and is a Sanscrit term. It associates with the energy and consciousness that arises from the base of the spine. This is the source of life force that everyone is familiar with. This book is here to help you awaken your Kundalini energy. As hard as it may sound, it s really not. With simple exercises and focused breathing, you can awaken this energy. Here s a preview of what you ll learn in this book: What Kundalini is Kundalini originated in ancient India and is a Sanscrit term. It refers to the consciousness and energy that is coiled at the bottom of the spine and has been there since birth. It is the life force source that everyone is familiar with. Yogic science believes that the energy is formed when the child is in the womb. It coils around the base of...
