*A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

Have you been experiencing the cloud of doom more times than you would like in your life? Does it seem that the clouds get heavier and heavier until they engulf you and you don't know how to make them go away? This book has been written to help women overcome the obstacles that cloud out their vision of what God has for them. It covers four areas that are stumbling blocks for women: unforgiveness, taking offense, the need to control, and devaluing ourselves. Use this book if you are looking to transform your life to a level of unexpected abundance of what God has for you. It can also be used as a group study, for women looking to bring about positive change in their lives. God wants you to have fullness of Him and a life that is filled with overwhelming joy. We should be experiencing him in our lives everyday. When those storm clouds start rolling in, it can be hard to see the goodness that God has for us. This study is meant to remove those clouds and allow you to find contentment in the midst of the storm.
