SAGE Publications Inc, United States, 2010. Book. Condition: New. Revised. Language: English . Brand New Book. Logic now with a free supplement analyzing the midterm elections! Coming in July, this valuable supplement will provide an insider s guide to the 2010 midterm elections. When placing your order, be sure to use the ISBN on this page to ensure that your students receive the supplement packaged FREE with their textbook. The Logic of American Politics, 4th Edition The logic of American politics? Are those snickers from your students as they deride the phrase an oxymoron? By helping them see that political institutions and practices are imperfect solutions to collective action problems, distinguished scholars Samuel Kernell and Gary C. Jacobson-and new coauthor Thad Kousser-reveal a rationale to the U.S. political system and give students a window through which they can not only view American politics but also come to understand it. Known for its engaging narrative, the book s new edition continues to weave historical context, current politics, and analytic concepts into a text that gently strengthens students theoretical understanding while hooking them with great storytelling. In order to make the argument fully accessible to a student audience, the new edition highlights passages that apply the collective action and institutional design themes presented in the introduction. The fourth edition has been revised and updated throughout, and will include full coverage of the 2008 elections. Two major developments in the new edition deserve special note: \* a new section in the first chapter introduces students to a toolkit of institutional design concepts-command, veto, agenda control, voting rules, delegation-and examples of how they work. With this toolkit, students learn the concepts for exploring America s governmental system in later chapters. \* with a fully revised final chapter, Logic looks forward to assess the implications of its...
