AVIATION LEGENDS OF THE BATTLE BORN STATE: THE NEVADA AEROSPACE HALL OF FAME (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Nevada, the Battle Born state was selected as the nation s west coast line of defense during World War II. Ever since, Nevada has hosted the Army Air Corps, the Atomic Energy Commission, the Air Force, Navy, Marine Corps, US Army, and the Navy for the development of the nation s most highly classified activities and achievements that played a large part in winning the Cold War and all other wars in between. The state of Nevada has been a Mecca for independent people who wanted to do new and different things. Among the state s unique accomplishments were the pioneering of space travel during which Nevada produced more astronauts than any other state. Nevada hosted the development of nuclear power for space exploration and as a deterrent to aggression by our enemies. The state s development and testing of the accouterments of space, war, and defense have contributed to our nation s successes. With the initial U-2 plane flight tests at Groom Lake, almost every flight established a new world altitude record for manned flight. The flights of the CIA s A-12 spy plane at Groom Lake set world altitude and speed records that still stand today. Nevada has continued to exhibit its unique heritage through many aerospace pioneers and programs that have been either based here or in the interest of national security-based elsewhere but commuted to conduct their activities within the state of Nevada. Though these individuals and programs made major contributions to the state of Nevada, the United States, and the free world, little is known of some because many of these aerospace pioneers and icons made sacrifices and contributions in ultra secrecy at locations that even...
