40 Below Ink, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Get out the bear spray . . . double up on the vodka . . .hide the Glock, and be prepared for anything. It s Valentine s Day in Alaska! Rule #1: You live in Alaska, you don t back down when the going gets tough. Enter Abigail Vertuccio: Alaskan, independent, ready to take on anything. An outraged grizzly? No problem. Clinging to the side of a mountain at -40 below. Done. Being reluctantly clairvoyant--not so easy. Still, she s definitely not about to freak out over a vision about getting married on February 14th --at 2:46 to be exact. Her escape? Abbey s old friend, a British MI6 operative, calls in a favor: Keep my batty brother, Ben, out of trouble on his trip to Alaska. Only who s going to keep Abbey out of trouble? Because when Ben and Abbey get together, it s like Lara Croft meets Batman (or more like Maxwell Smart meets Agent 99). And before you can say Holy Moose Nuggets, Robin, they have a hit and run driver, burglar and kidnapper to deal with--all while keeping Abbey s on-again, off-again boyfriend, Mac, at arm s length so she can avoid a Valentine s Day nightmare of the wedding variety. Unfortunately, one thing she doesn t have a handle on is love. So when it s starting to look like Ben may be the one, and Mac isn t about to give up (oh, and the bad guys, too), she s just hoping for the best. Too late. Valentine s Day is fast approaching and one thing is clear, Abbey needs to do whatever it takes to make it to February 15th. No wedding ring....
