Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Memoirs of the Life and Writings of Robert Robinson: Late Minister of the Dissenting Congregation, in Saint Andrew s Parish, Cambridge This volume being already swollen to a sufficient bulk, it would be unreasonable to distend it further by a tedious preface; though where considerable blame attaches, it is natural to look around for a defence. The reasons that delayed the publication, then, which I had formed into a regular apology, on a serious review, are suppressed. A detail of particulars could not be introduced without appearing in the language of egotism: and, on the whole, the conduct of those writers appears most worthy of imitation, who throw themselves on the candour of their readers; preferring to be spattered over with other people s censures, to being decorated with the chaplets of their own vanity, and besmeared with the perfumes of their own praise.
