Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A man, his young son, and his aging father board the Amtrak City of New Orleans on a quest to bind three generations to an alliance of fanaticism for one of the NFL's historically worst teams. After three decades of losing records and scarce playoff appearances, the New Orleans Saints are finally beginning to write a new chapter in their history, and the trio is eager to grab a front-row seat. For the men, who moved away from south Louisiana twenty years earlier, it will be a nostalgic trip down a Hurricane Katrina-altered memory lane. And for the youngest member of the family, it will be the first opportunity to experience the colorful soul of one of America's great Southern cities. Our Home, Our Team shares the wistful, hilarious, and true stories from a quest to relive fond memories and pass a black-and-gold torch to a new generation.
