Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

FOREST ANIMALS MAZES (PAPERBACK)

Dover Publications Inc., United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. The poor owl! He fell out of his tree, and now he needs help to get back home. His squirrel friend wants to find her acorns. The skunk has gotten lost in the woods and is looking for his log. And the frog has to find a way to the other side of the pond. Youngsters can help these animals and 26 other creatures of the forest reach their objectives by showing them the way through a series of mazes. And when young navigators have completed their tasks, they can have even more fun by coloring the large, clearly drawn pictures. A great way to introduce children to members of the animal kingdom, these full-page mazes will also help them develop important problem-solving skills.
