Penguin Books Ltd, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Beatrix Potter s work reflects her interest in animals, natural history and the environment. She liked to imagine her characters in her favourite, natural places, so she created a special world for Peter Rabbit. Before the full-colour edition of The Tale of Peter Rabbit was published by Frederick Warne Co., Potter arranged a private printing of the book with Strangeways Sons in 1901. It was illustrated with black-and-white line drawings, and it is these illustrations which have been adapted for this special gift edition of the tale. Potter s drawings have been combined with a variety of patterns that take inspiration from the natural world in which the tale is set. The botanical patterns reflect Potter s illustrations, and the soft, natural palette and block-printing effect refers back to the Golden Age of children s illustrated books. A perfect gift for fans of Beatrix Potter.
