Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Brand New Book ***** Print on Demand *****.Excerpt from A Great Year Lord Glanely s Horses Lord Glanely not only Obtained his position at the head of the list, but did so handsomely by a margin of 7751. It appears specially appropriate that the owner who attains supremacy should include the Derby among his year s spoils, and this was the case in 1919, the Blue Riband being won by a colt, Grand Parade, whose merit for reasons presently to be set forth has certainly been underrated, though, as it happens, Lord Glanely did not owe his lead to the successes of a single horse as has almost invariably been the case with those who have accumulated most money. Little races, medium sized and big ones, make up the total we are about to investigate, and it includes what so far as I remember or have been able to ascertain has never been accomplished before, the taking of precisely a quarter of the stakes in the Ascot Programme. That alone makes the year memorable for the owner who achieved it. At the Royal Meeting during the four afternoons twenty-eight races are invariably run, and the owner of the black jacket, red, white and blue belt, won seven of them.
