Walter s Career Guide: Why Getting a Job Is Not Enough (Paperback)

By Peter Fritz Walter

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Walter s Career Guide: Why Getting a Job is Not Enough (Series Training and Consulting, Vol. 1) -2017 Revised, Updated and Reformatted Edition-presents a fresh approach to brainsmart effective learning and career design, for young audiences. The book doesn t offer quick fixes for developing your career. It presents an approach to raise the awareness level of the whole of the person. The author contends that true selfhelp must encourage the reader to be critical in the first place, and develop their self-thinking abilities, which is one quality of several when designing a first-hand life and becoming truly responsible for your destiny. To be critical means to question tradition and authority, in the first place and to rely on your god-given gifts and talents. We are all unique individuals, with each of us coming into the career arena with a treasure box of personal talents and skills. While our educational systems do not encourage our individuation, nor acknowledge our individuality, we need as creative people swim against the stream and develop ourselves not because, but despite we received a good education....

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. Its been written in an exceptionally basic way and it is only right after i finished reading this ebook in which in fact modified me, affect the way i really believe.

-- Beverly Hoppe

Extremely helpful for all class of individuals. Better then never, though i am quite late in start reading this one. I realized this publication from my i and dad suggested this ebook to discover.
