Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Chinese-English Grammar, Vol. 1 The followin little work is intended for Native Youths anxious to acquire the nglish lan age by graduated studies. The En lish is Cornwell s Grammar for eginners with little alterations; the hinese is Canton Colloquial. A large number of native pupils, who are anxious to learn English, being only indifferently acquainted with the written characters of their langua e when presenting themselves to foreigners, and foreign or native teac ers being often at a loss how to explain or express the technical terms used even in so simple a work, the under signed thought the shortest and most efficient way to assist both would be a translation of one or two of the best works now used in the schools. The Chinese, unable to read their own characters, can, within a fortni ht, learn to read the romanized Chinese, whilst those able to read and nu er stand their own ideographic characters will find much assistance from the same as found at the end of each section. The foreign teacher will, in this manner, learn whilst teaching and will find his mind much relieved when he has to appear before children who, whilst knowing little them selves, have not always too high an Opinion of their master, particularly when, as I have witnessed myself, circumlocutory phrases are substituted for le, pointed terms, corresponding, as much as possible, to the En But the principal advantage to teachers will be the fact, that means are laced at their disosal to give their pupils lessons to learn by heart w en at home and us introduce a system of study, which must sooner or later change the Chinese...
