From the author of When did the Mahabharata War happen The Mystery of Arundhati. Employing tools of Archeo-astronomy and the logic of scientific discovery, coupled with fantastic intuition, Nilesch Oak tests, with scientific precision, observations from the oldest epic of humanity - Valmiki Ramayana. He takes us on an exciting tour from the present, into remote antiquity of human civilization. Here is the book for everyone who is interested in antiquity of civilizations, Ramayana, ancient Indian history and Archeo-astronomy Praise for The Historic Rama It was a fascinating ride. The pictures helped enormously. It is funny, logical, unapologetic, interesting, thought-provoking and most importantly, it requires a higher amount of reader participation. This is not a book for reading before bed or in a leisurely mood. This book is best read with a pen and a paper nearby. --- Congratulations for an amazing, meticulous and painstaking work. I salute your devotion and hard work. I have no knowledge or appreciation of arguments connected with astronomy. I had read Pushkar Bhatnagar's book and also heard his lecture. Your book has prompted me...
