HIGHWAY HEART (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We love so easily, but break so easily too. The heart s highway is a long, winding road travelling through love, heartbreak, relationships, loss, grief, hope - and the destination can never be truly known. Highway Heart is a celebration of the journey through life, and everything that goes with that: the exquisite highs and the agonising lows which chart our passage through the world. The book embarks along the road of life, and celebrates not only the myriad of strange, exciting and unexpected roads we discover on our journey, but also the heartbreak and the difficulty of trying to find the right road. Highway Heart is the internal travel which traces roads in our soul. David Jones is the author of the best selling Love And Space Dust, Could You Ever Live Without, Love As The Stars Went Out, Moonlight And You, and Death s Door.
