Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

This book has been especially re-published to raise funds for The Great Ormond Street Hospital Childrens Charity. By buying this book you will be donating to this great charity that does so much good for ill children and which also enables families to stay together in times of crisis. And what better way to help children than to buy a book of fairy tales. Some have not been seen in print or heard for over a century. 33 of the Publishers profit from the sale of this book will be donated to the GOSH Childrens Charity. In this volume you will find the story of Sigurd, the Pied Piper, Drakestail, Little Golden Hood, The Six Sillies, Jack and the Beanstalk, Snowdrop, Rapunzel and many more. In gleaning of the fields of Fairy Land, Andrew Lang hoped that some of the tales in the Red Fairy Book may have the attraction of being as familiar as old friends. Some of these tales will not have been read aloud for over a century. We hope these become new friends and in time, old friends. The tales have been translated, or adapted, from stories originally written in old Norse, French, German, Romanian and many other European languages. What better way to bring a gleam into a childs eye than by reading them a fairy tale from a far-away land. And just when you think youve finished, dont be surprised if you feel a tug at your sleeve and a request for nuther fairy tale please for this is where good always wins over evil, where the Prince always gets his Princess and where the common man is allowed to best Kings.
