

Bellevue: Post World War II Years (Paperback)

By Eastside Heritage Center

Arcadia Publishing (SC), United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Bellevue has grown, in just a few generations, from a small farming town into an important urban center and economic hub, with the foundations for this success being laid in the two decades following World War II. The opening of the Mercer Island floating bridge, in 1940, promoted the settlement of the lands to the east of Lake Washington during the population and housing boom of the 1950s and 1960s, and Bellevue became the primary commercial center for these vibrant new communities. Families flocked to the shiny subdivisions, with new schools, shopping centers, churches, and parks springing up right behind. But it was strong political, business, and civic leadership that kept Bellevue from being just another sprawling suburb. As business began to push outward from Seattle, Bellevue was able to grow gracefully and preserve its sense of place. It remains a wonderful community for families from around the globe and a place that longtime residents are reluctant to leave.

Reviews

It is a single of my personal favorite ebook. Better than never, though I am quite late in starting reading this one. I am effortlessly getting a satisfaction of reading a published ebook.

-- Ms. Lavada Krajcik

Comprehensive guideline for book lovers. It can be filled with knowledge and wisdom I realized this publication from my dad and I suggested this pdf to find out.

-- Ted Schumm
