History Publishing Company llc, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. Legerdemain is the true story of a young undercover operative for the U.S. Air Force during the Truman-Eisenhower Administrations who was sent on a mission to wrest French Morocco from the French colonial system and bring it into the American sphere of influence. The purpose was to insure Moroccan air bases for the Strategic Air Command which was vital for a retaliatory strike against the Soviet Union. The story underlines President Truman s disregard for French friendship and is willing to risk it for the sake of U.S. security. The disregard is further illustrated by the secret storage of atom bombs in French Morocco which was completely unknown to Charles DeGaulle, President of France. The story unveils the working of undercover operatives of Britains MI6, Israel s Mossad, America s CIA, France s Security Services, the Soviet Union s KGB as well as the French Foreign Legion set against the exotic backdrop of the alleyways, coffee houses and bathhouses of Casablanca, the exotic fairs of Marrakech, the settings of privilege in Cairo and the mountainside villages of Cypress. The author s experience also takes him through Berber villages in the Atlas Mountains and Foreign Legion outposts on the apron of the Sahara. Through it all, the author unfolds Islamic thinking of that period and sets it as a prelude to the affairs of the Twenty First Century.
