It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Xulon Press, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jesus Loves a Hillbilly My name is Robert Curtis Burns but everyone calls me Bobby. I m also known as the Humbled Hillbilly. I was forced to retire at 52 years of age from the State of Tennessee. In the last two years I ve had a ruptured disk in my back, a collapsed lung and stage 4 cancer. I am cancer free now but my back is in bad shape, which is why I retired so early. I can still remember lying on the ground and watching the stars. I ve seen some amazing things that can t be explained! What I m trying to tell you is that I ve spent a lot of time alone with God. I knew He was there but I had no understanding of who He was, back then. But we would talk, mostly because a lot of times, He was the only one there. I still talk to Him every day and night. We ve become very close friends! Please believe me, I haven t been a saint. I have sinned as much, if not more than anyone that reads this book. I ve even encouraged others to do the...
